HW3, Exploratory data analysis
Dec. 7 2018
MXBJ

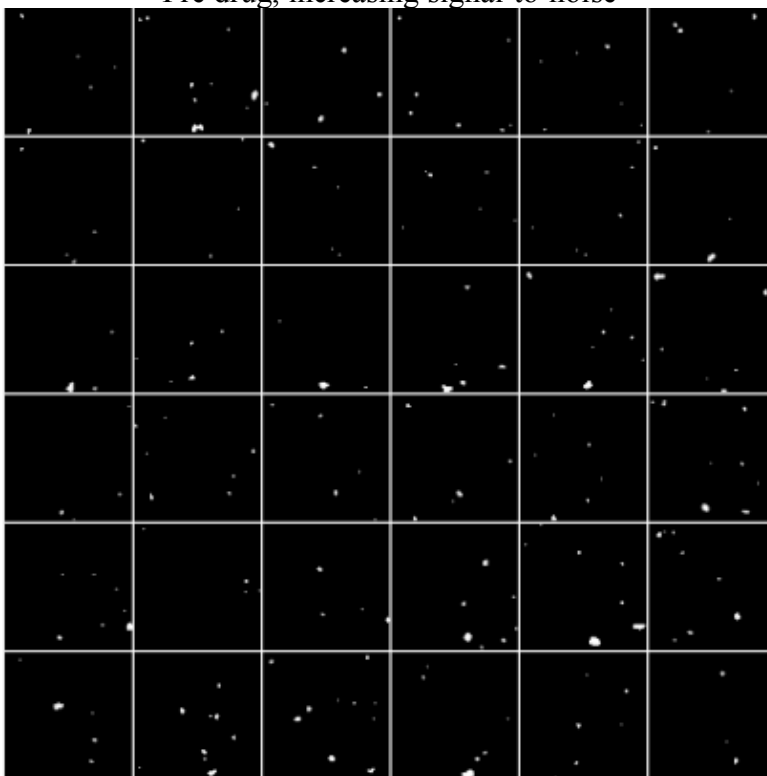

Pre drug, raw data

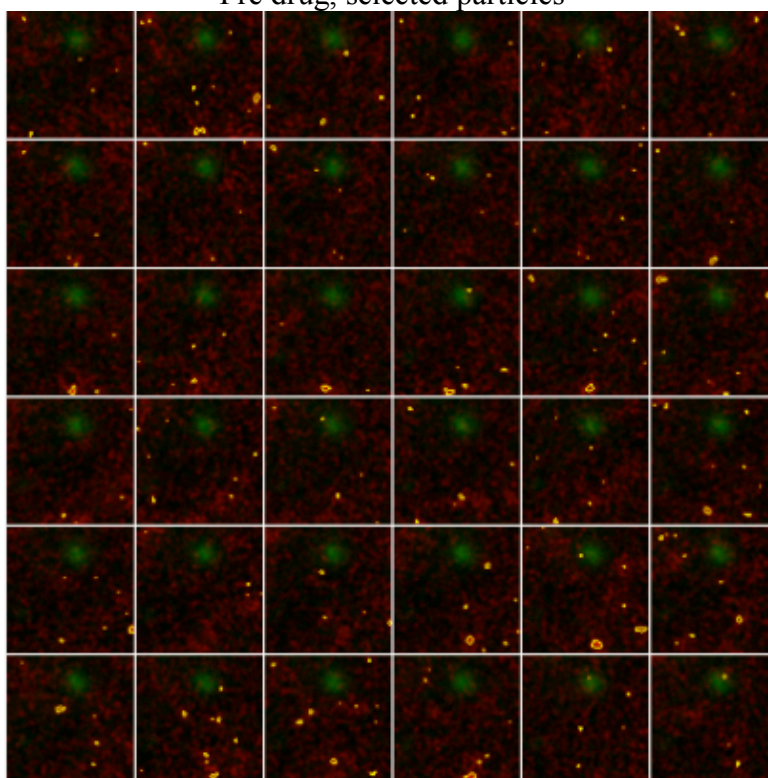

Pre drug, red channel

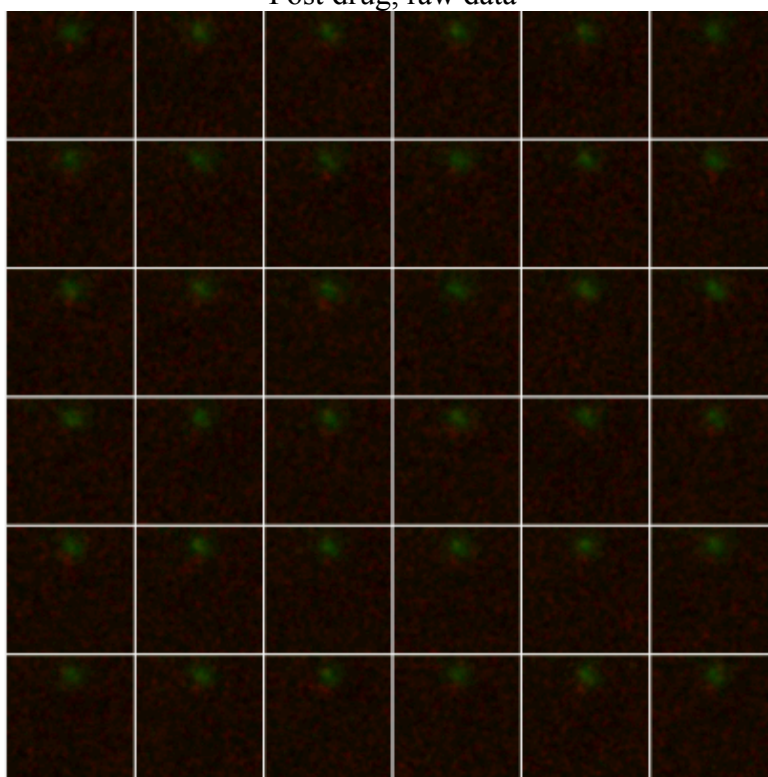

Pre drug, increasing signal-to-noise

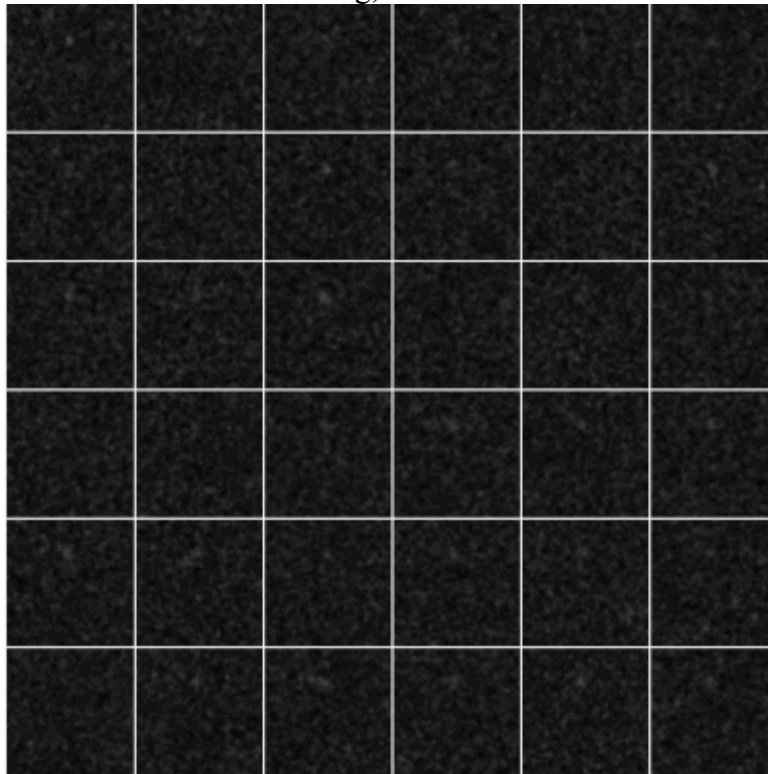

Pre drug, selected particles

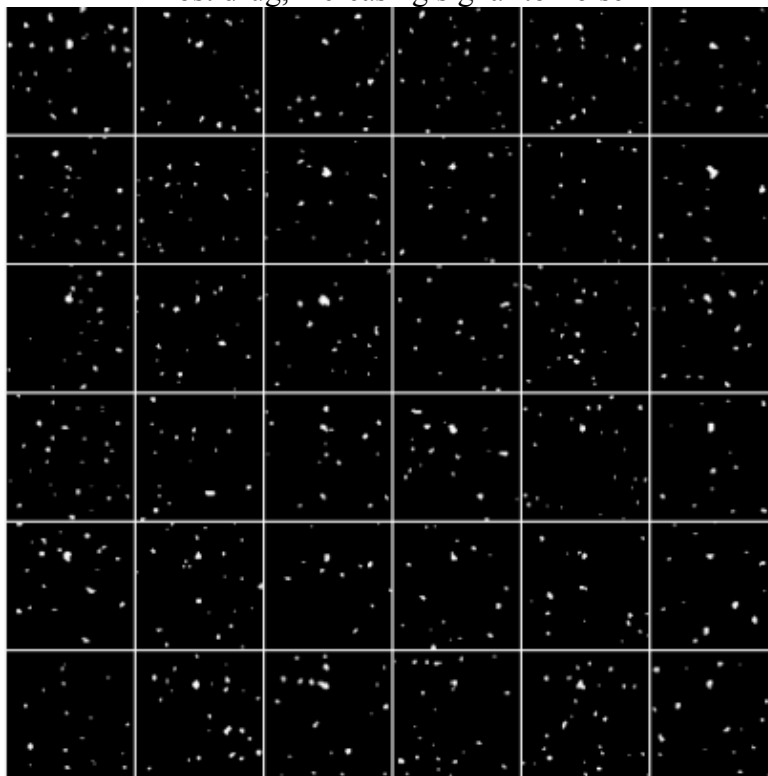

Post drug, raw data

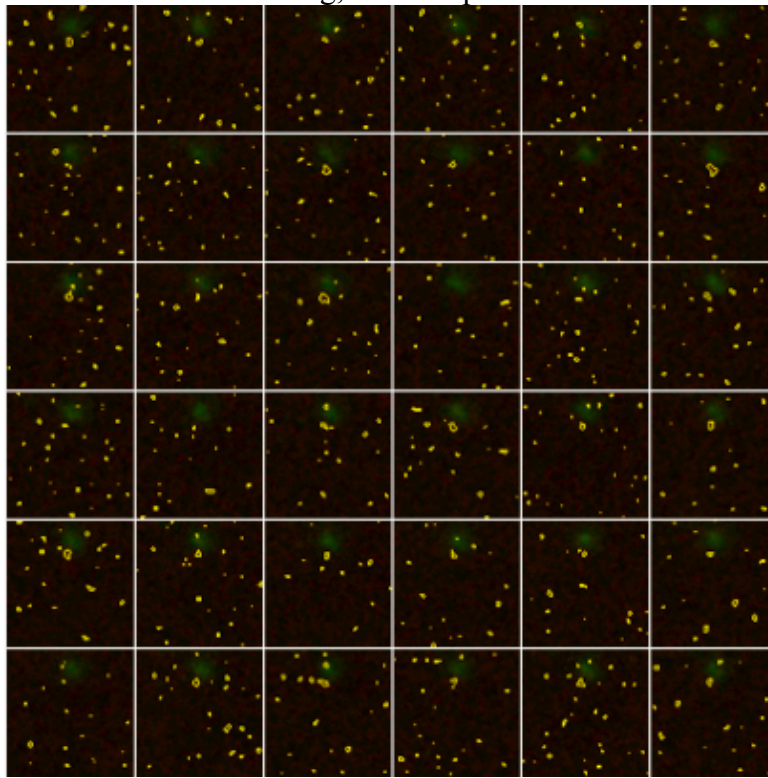

Post drug, red channel

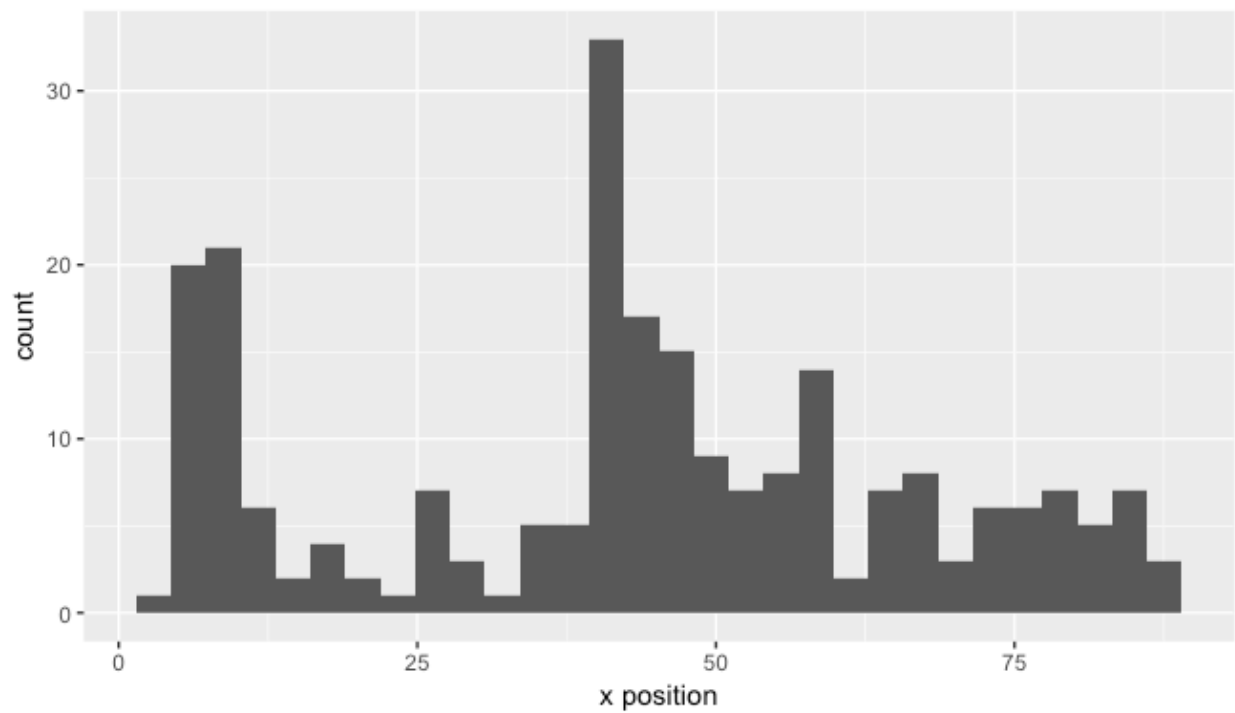

Post drug, increasing signal-to-noise

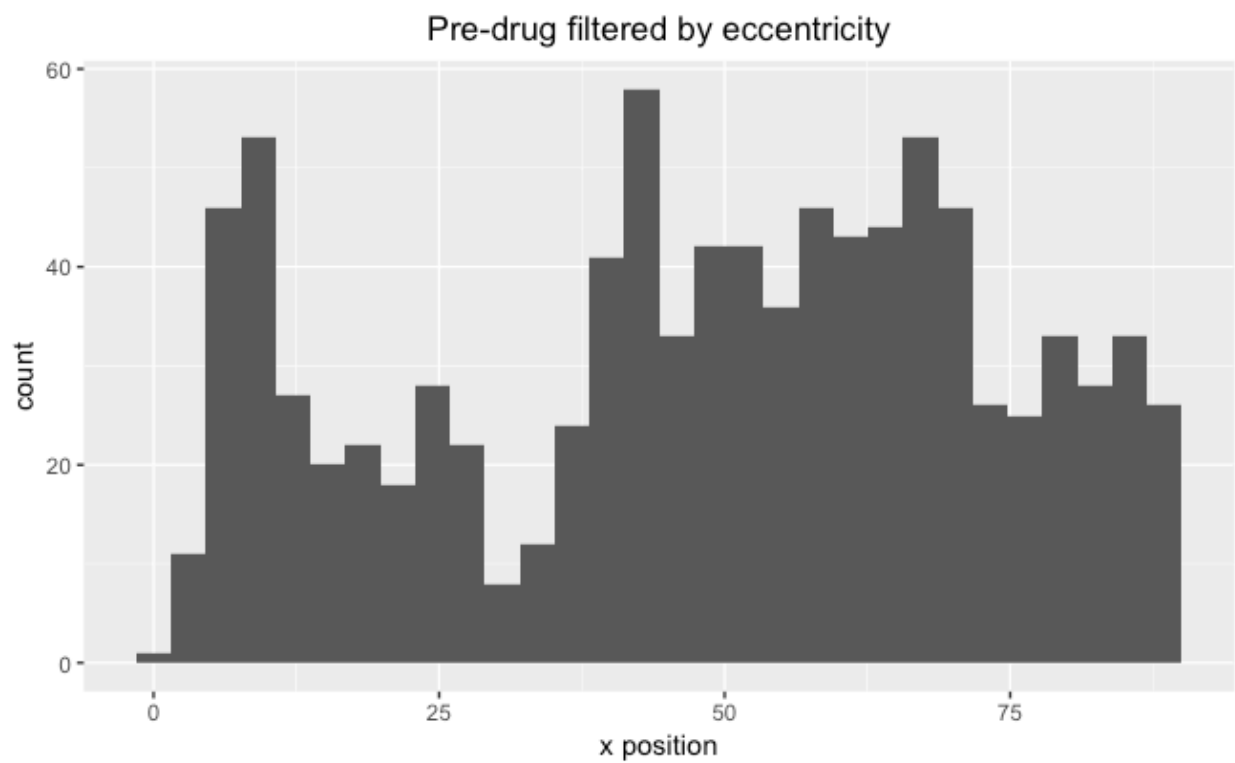

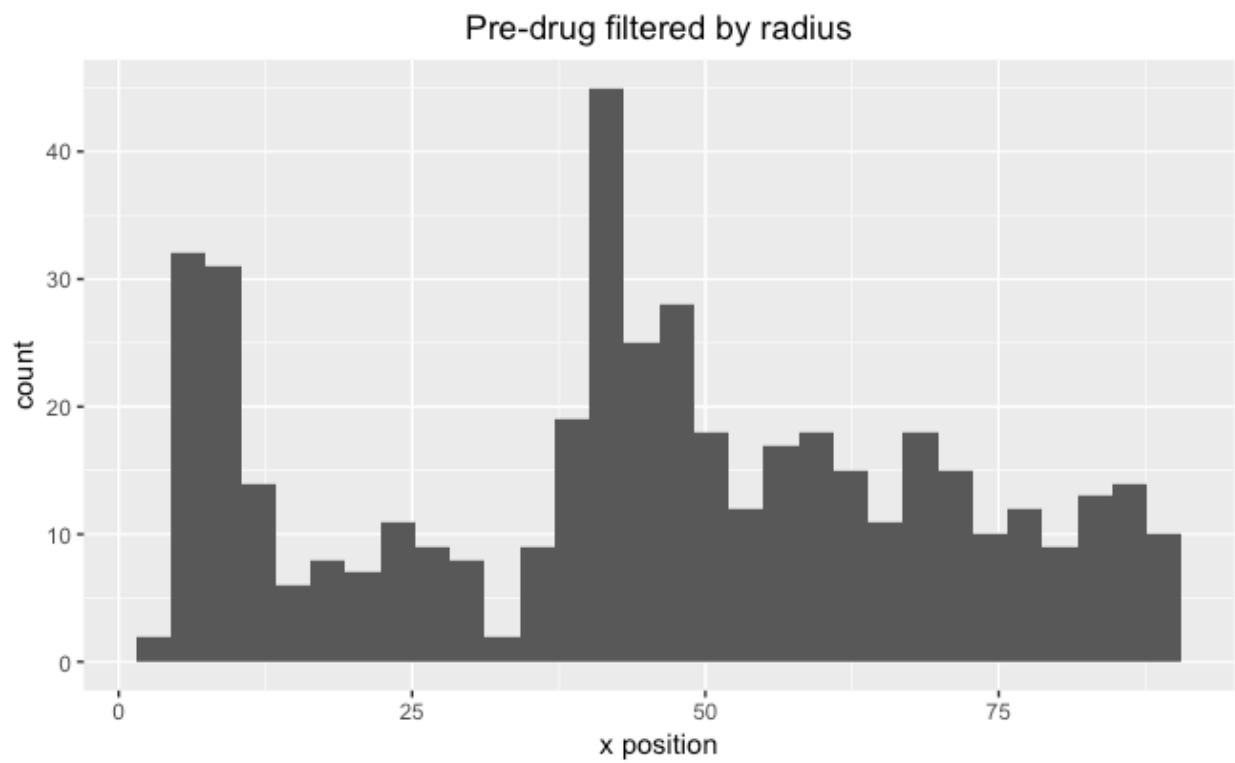

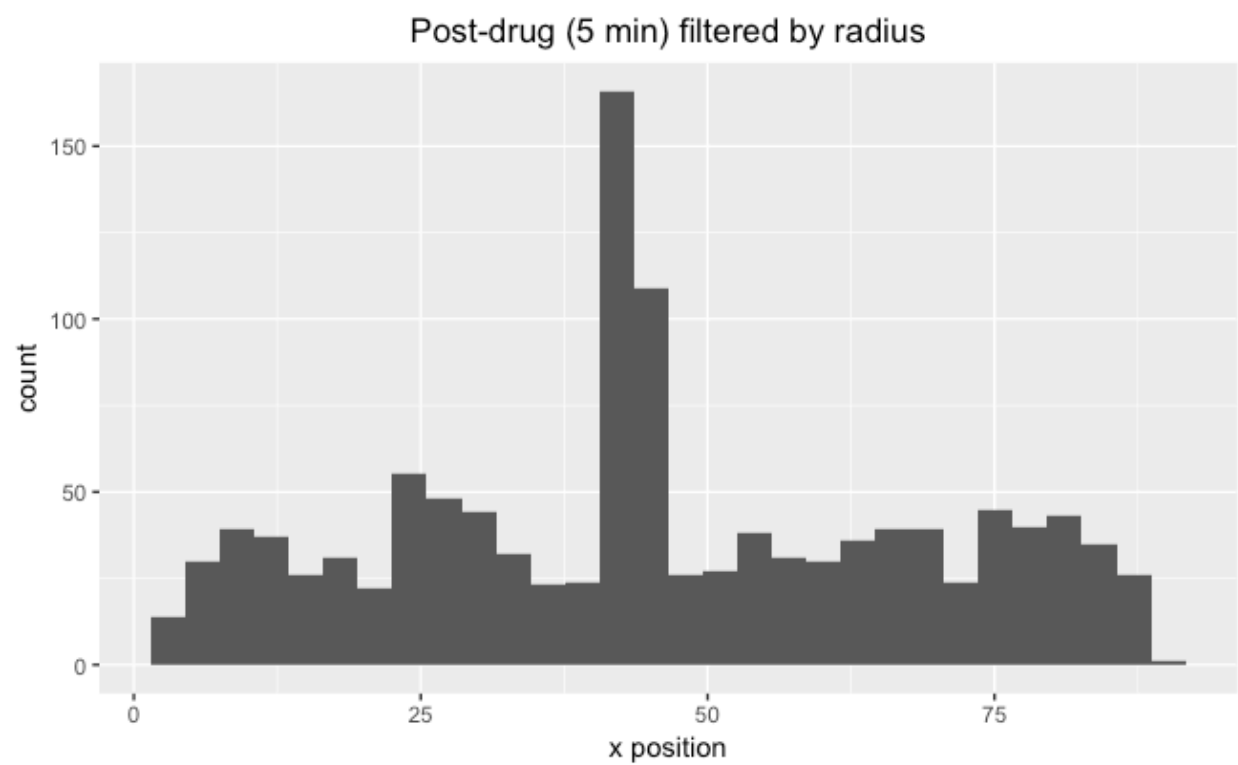

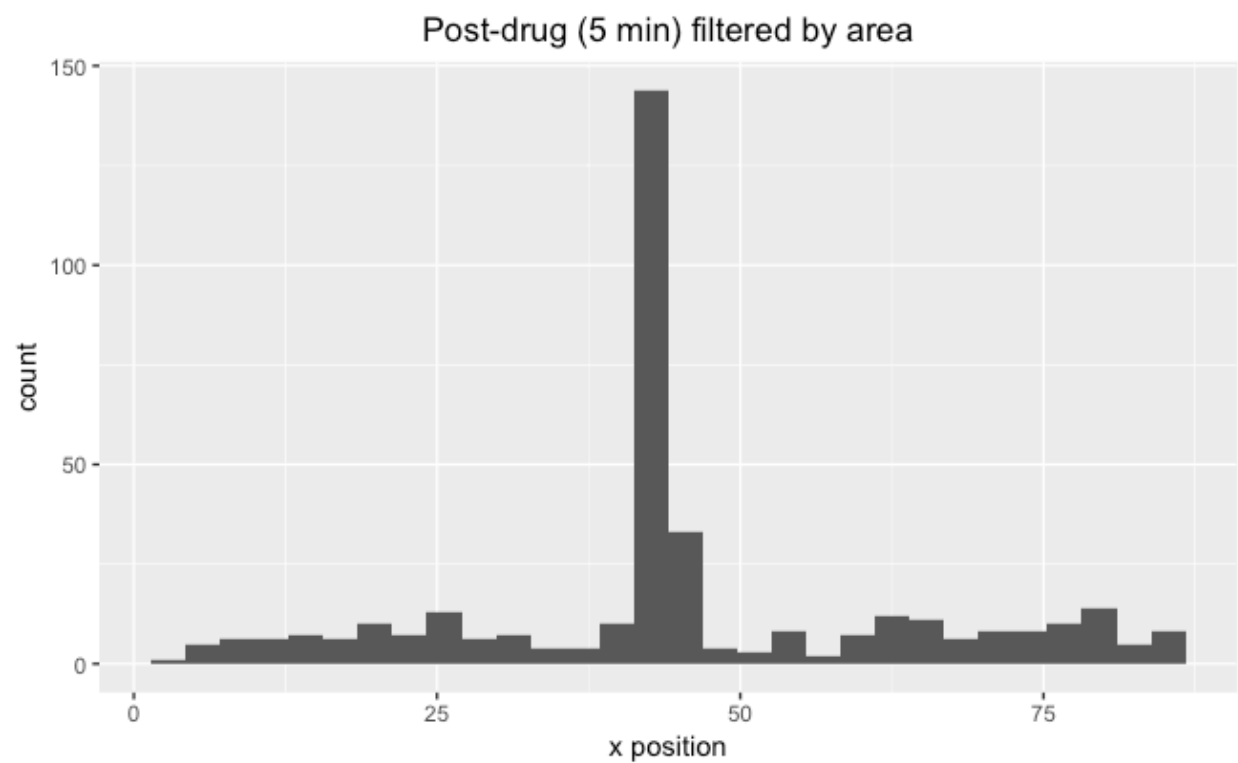

Post drug, selected particles

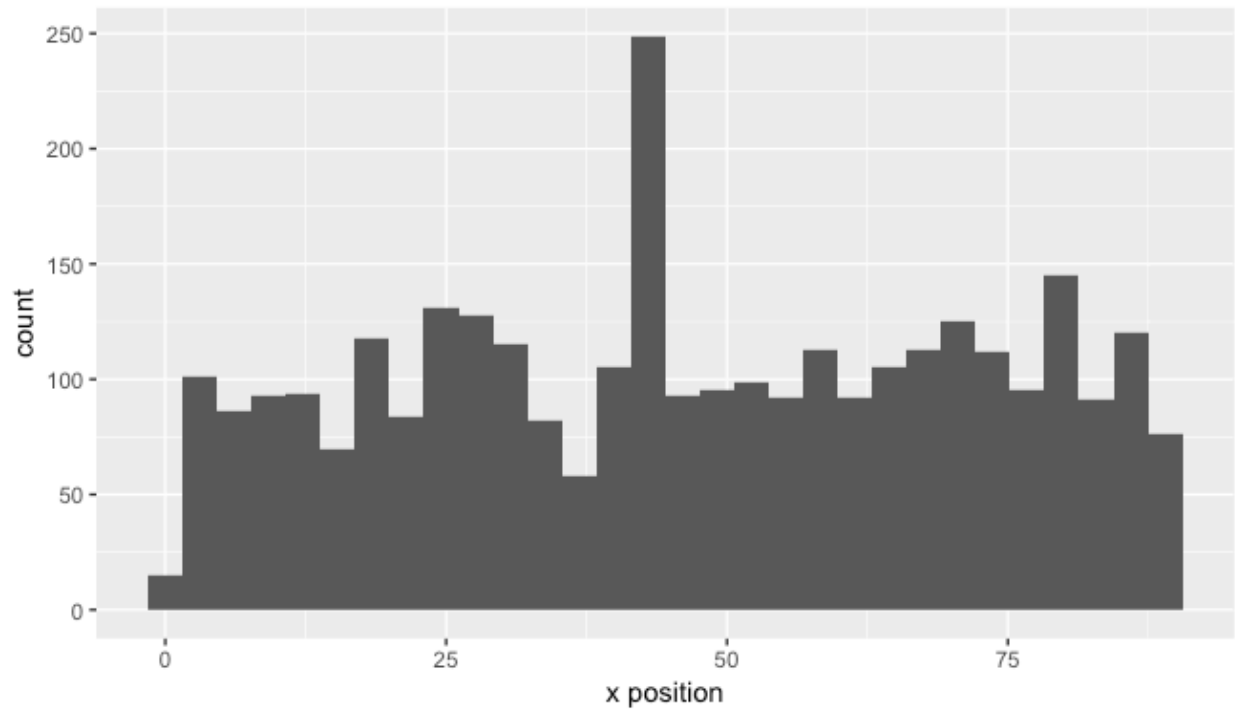

Additional filtering
Pre-drug filtered by area

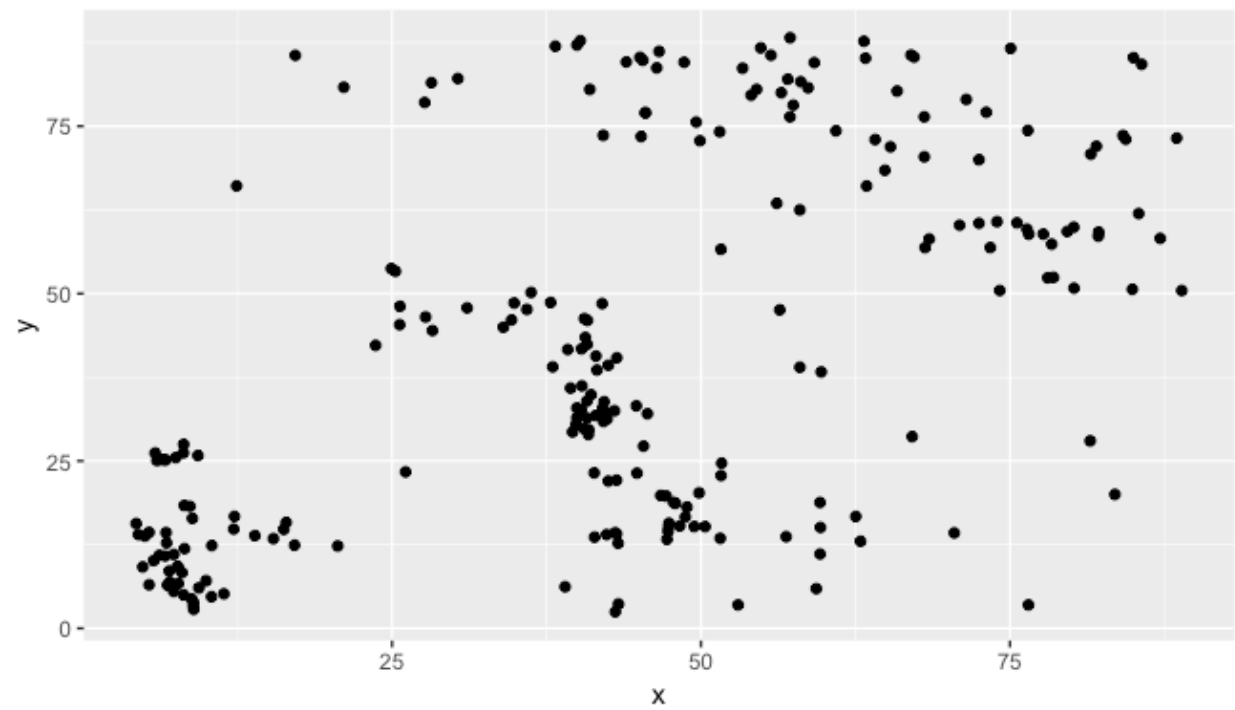

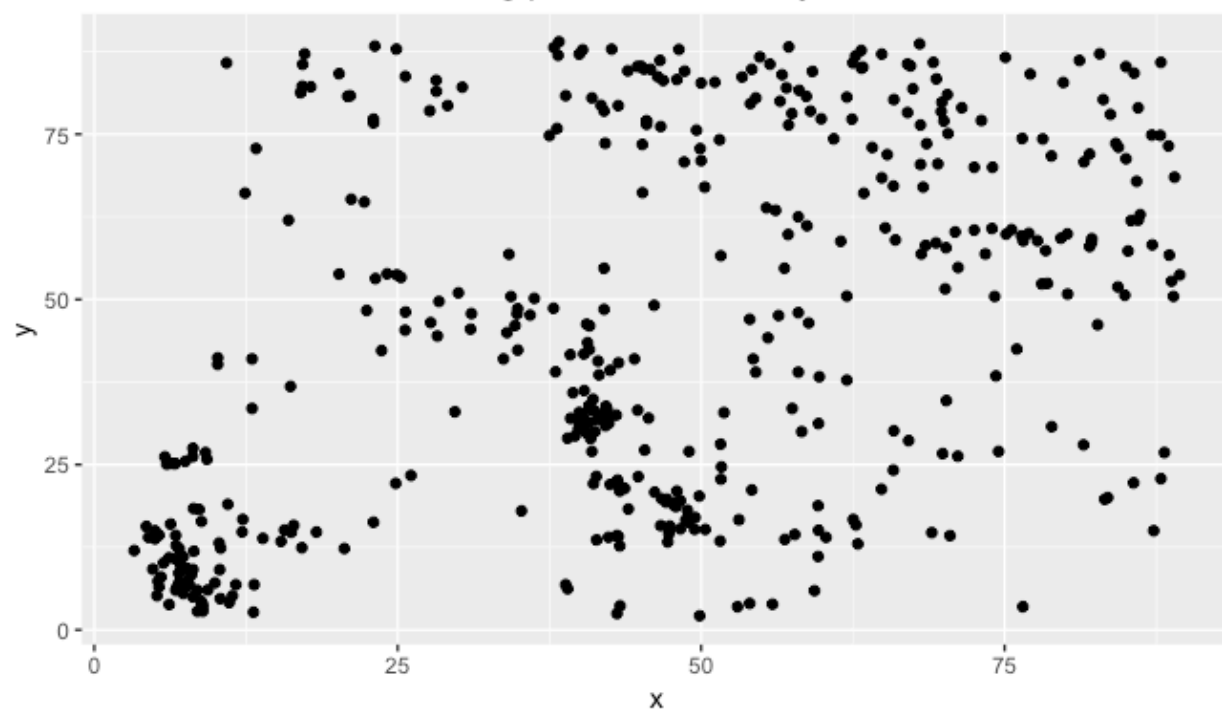

Post-drug (5 min) filtered by eccentricity

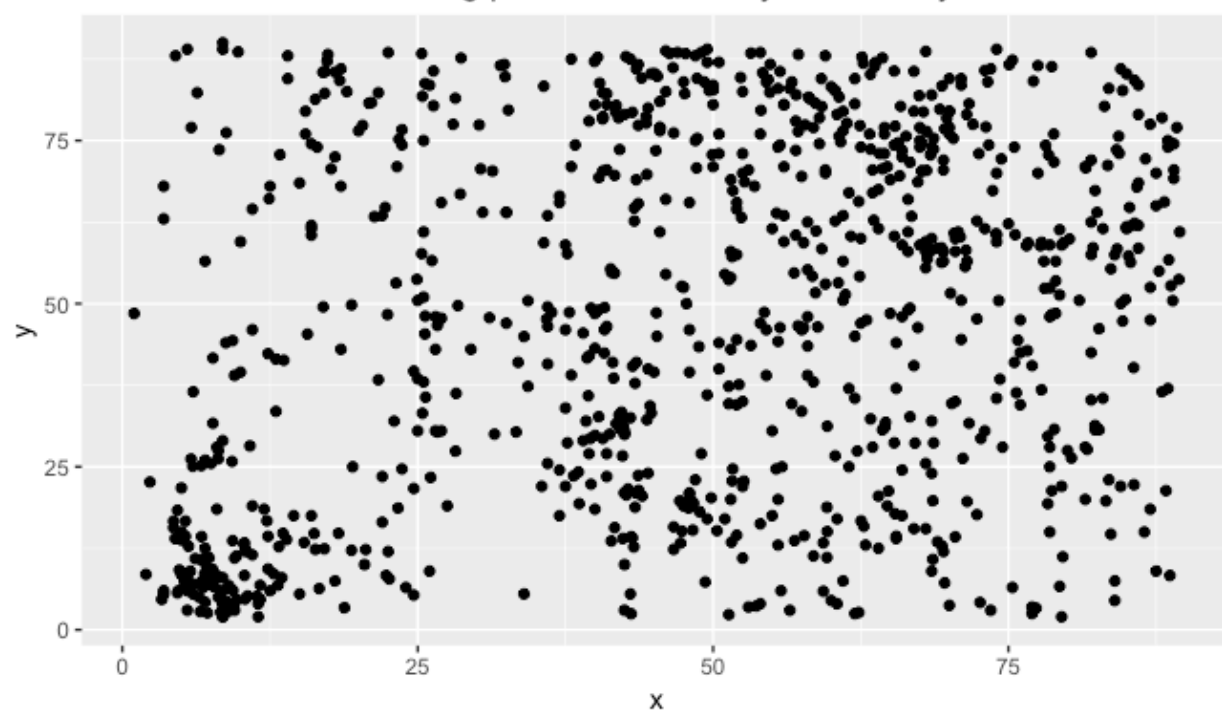

Pre-drug positions filtered by area

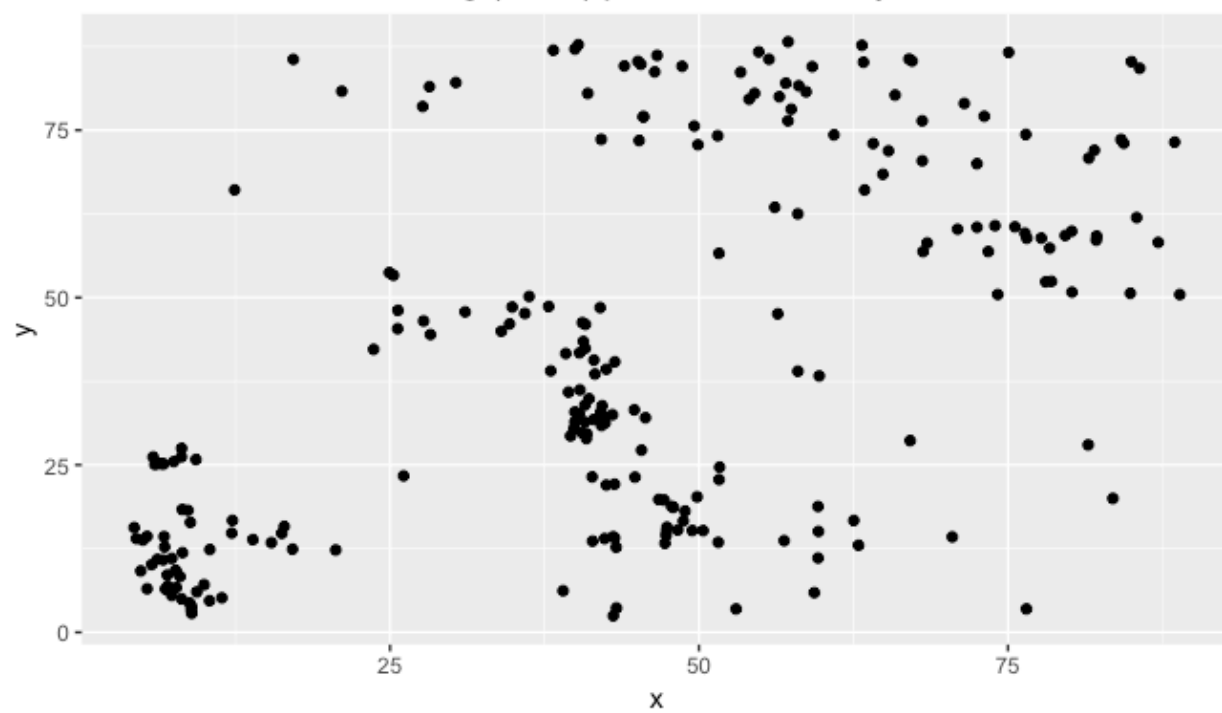

Pre-drug positions filtered by radius

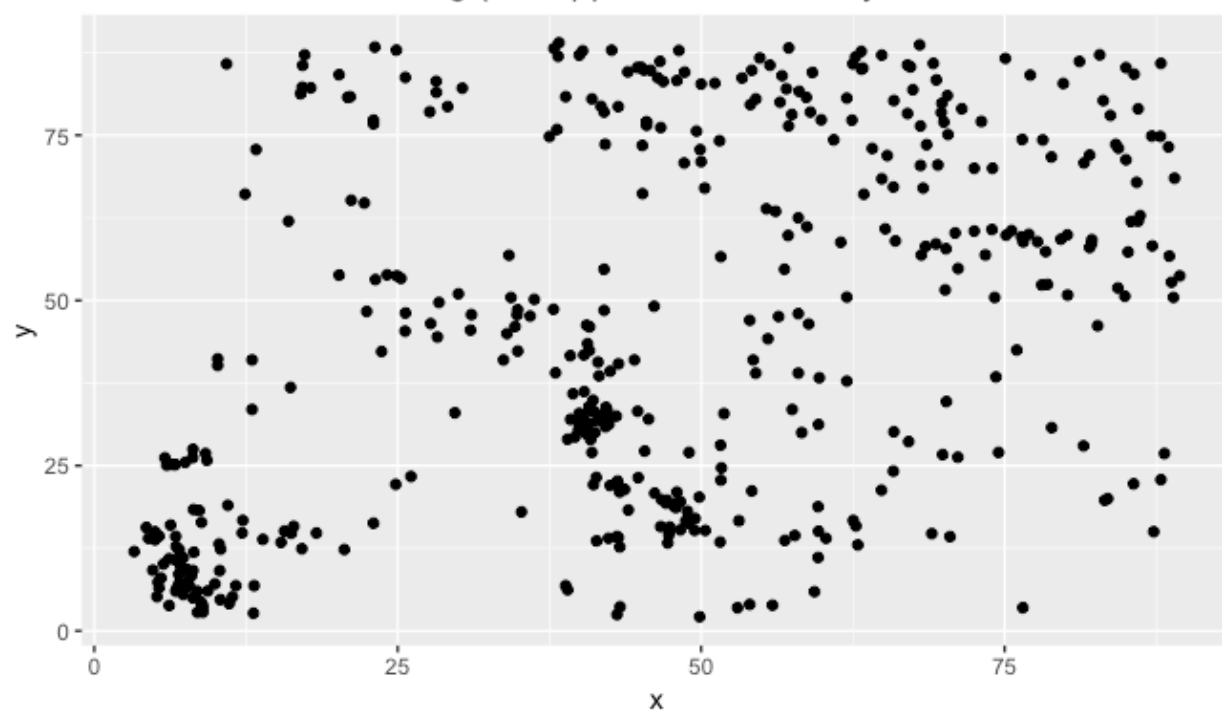

Pre-drug positions filtered by eccentricity

Post drug (5 min) positions filtered by area

Post drug (5 min) positions filtered by radius

Post drug (5 min) positions filtered by eccentricity
